

## **Design Professional Networking Pavilion**

---

The Design Professional Networking Pavilion will be open from 1:30 p.m. to 2:30 p.m. in the center of the Trade Show on Thursday, February 25, 2010 at the Indiana Convention Center's Sagamore Ballroom.

ISA's goal for 2010 is to have at least 25 design firms represented in the pavilion each with more than one representative. Each firm will be stationed at a table signified by a tall stanchion with the company name listed. At 1:30 p.m. the pavilion will be open to the attendees at the Trade Show which will be announced over a loud speaker. At this time, people will be asked to file in, locate the first table they would like to visit, and begin their networking time. The goal of the time limit is to keep people moving so that one person is not monopolizing a certain owner's time.

The pavilion will be set with high-top rounds stationed around the pavilion. The pavilion will have four foot draping boarding it with an entrance at every corner. Food and Beverage stations will be set along the perimeter of the pavilion.

During the networking pavilion time, you will be able to:

- Network with existing clients
- Meet new clients
- Promote your business and specialties including such items as LEED
- Foster design build relationships

The ISA's Annual GC of the Year Awards Banquet will then begin at 7:00 p.m. in the adjacent room with a reception starting at 6:00 p.m. in the foyer. All participants in the networking pavilion are encouraged to attend the Awards Banquet where the top award for Indiana GCs will be awarded—GC of the Year.

Please complete the form on the following pages in order for ISA to better prepare for your participation.
